

AbFab Parties Party Guidelines

Our party aims to provide a relaxed and friendly environment for all our guests to enjoy. The guidelines are for the benefit of all of the guests of the party and the hosts:

- Be courteous to other guests and hosts at all times. If you wish to join another single, couple, or group always ask permission and please accept gracefully, if declined.
- Smoking is currently only allowed in the main meeting area and drinks area: please also use the entrance porch area, near the swimming pool, or the awning near the cinema and put stubs in the buckets provided. Fire alarms are fitted in key areas.
- No cameras or recording devices of any kind are allowed in any area of the party. Please leave these in your car along with any other valuables.
- Do not use a mobile phone inside any of the buildings, please leave them in your car or in your coat or bag.
- Confidentiality and privacy must be respected at all times.
- We have a zero-tolerance policy for drug use or drug dealers. If anyone is seen or found to be taking drugs, they will be asked to leave the party, they will not be invited back and they may be reported to the Police.
- No one will be admitted to the party without a Security card or ID. Security cards are strictly non-transferable. Cards can be cancelled at any time at the Host's discretion.
- The party host will not be held liable or responsible for any loss or injury sustained by any visitor or guest of the party whilst on the premises. In particular, guests use the pool, sauna and hot tub at their own risk, these are unsupervised facilities.
- By signing the security application form, potential guests are confirming that they are in good health and fit to use any of the equipment, pool, sauna or hot tub facilities and that they have had a recent medical check to confirm their fitness.
- The party hosts reserve the right to refuse entry at their sole discretion. Please note that anyone arriving drunk may be refused entry. In addition, anyone consuming excessive alcohol may be asked to leave the party.
- Please understand that this is not a business, we are running private parties for our friends in the community and any party contributions are used to offset the high running costs of parties and the substantial depreciation to the host's property.
- Phew! That's it. Have a great time, enjoy yourselves, please tell us if we need to change or improve things and tell your contacts or friends if you had a good time!
